During our Worship Service there is child care available downstairs in the Infant/Toddler room. Infants and children (birth through kindergarten) may be checked in at 09:50 AM or anytime throughout the service as they are welcome to stay for the singing and then be brought down by their parents and signed in. Please don’t hesitate to ask an usher or greeter for directions to these areas. Parents are responsible to personally retrieve their child immediately after the service and keep them with you until leaving the church building.

Welcome

It is our hope that you will feel warmly welcomed here today and that you sense God’s presence in our service. We would also love to answer any questions you may have about your spiritual journey or how you may become a follower of Jesus Christ.
